Furnace Modification
Asbestos Removal
Salem Contract #3964

Gentlemen:

In accordance with your notification of non-compliance with the Illinois Environmental Protection Act received by Salem Furnace Co. on April 1, 1987, we are enclosing one (1) revised copy of the Notice of Asbestos Removal indicating the abatement technique used on the above project.

The alleged Land Pollution Control violation as stated in your notification will be handled under separate cover letter from Granite City Steel, as this was a part of our contract to use their landfill.

Very truly yours,

C. L. Anderson
